## DUES

For a schedule of the dues, call the membership secretary whose name can be obtained from your sponsor.

**SHERWOOD ARCHERS** is a private archery club serving the Roanoke Valley area. Sherwood is affiliated with the Virginia Bowhunters Assn., Inc. The purpose of the club is to foster, expand and perpetuate the practice of all phases of archery and to encourage the use of the bow in the hunting of legal game.

The range consists of one 28 and one 14 target field courses, an 8 lane indoor range and 7 outdoor practice targets. As a member of Sherwood you would have the opportunity to participate in many archery events such as indoor winter leagues, 3-D and field tournaments or you may just shoot the ranges at your leisure.

We encourage you to attend the monthly club meetings so that you are informed and can participate in club functions. Members receive a monthly newsletter, **Target 29**, with all the club news and activities.

Sherwood has a picnic area and primitive camping available. Restrooms complete with showers are located in the club house.

Participation in work parties and other club activities is essential to the continued success of Sherwood and all members are expected to volunteer a minimum of 8 hours per year toward maintenance and upkeep.
